Overdraft Transfer Opt-Out Agreement

I elect to opt out of overdraft transfers from my Primary Savings for the REALTORS[®] FCU account number referenced above. If sufficient funds are available in my Primary Savings, I do not wish for those funds to be used to pay any overdrafts in my checking. I understand that any debits or drafts presented to my checking account(s) for this membership number in which there may be insufficient funds, will be returned to the Payee as unpaid unless I have a different overdraft arrangement with the credit union, IE: Line of Credit, overdraft from a different share on this membership account, Courtesy Pay.

I agree to hold the credit union harmless of any fees or damages I incur as the result of a debit, draft or any other item being returned unpaid due to insufficient funds and/or lack of established overdraft transfer arrangements. This opt-out election will stay in force until I direct the credit union otherwise in writing and they have confirmed receipt of that request.
